

REMARKS/ARGUMENTS

Claims 1-2, 6-16, 19-29, and 35-37 are active in this application.

Non-elected species are retained as reconsideration of that election is still ongoing  
(see page 4 of the Official Action)

The claims are amended to define that inflammatory diseases is being treated.

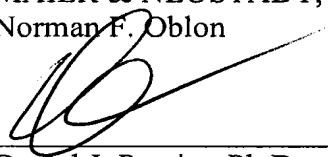

It has been acknowledged that the treatment of inflammation is enabled (see page 5 of the Action). While Applicants do not acquiesce to the position in the rejection, Applicants have amended the claims consistent with what has been determined to be enabled. Reconsideration and withdrawal of the rejection under 35 USC 112, first paragraph as it pertains to the amended claims is requested.

Should the Examiner have any questions or wish to discuss any aspect of this application, he is invited to contact the undersigned at the number listed below.

A Notice of Allowance is requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
